

## Reclaim

100 years ago the people of Herne Bay bought the Pier from the management company who built it.

We have an opportunity to do the same.

**The first objective** of Herne Bay Pier Trust is to buy or lease the current Pier from Canterbury City Council. But we need your support.

## Regenerate

The sports facilities on the Pier are being moved to other sites in the town. The existing Pier Pavilion will then be taken down leaving us a large space on which we can create something exciting and new to benefit everyone. This can include any or all of the following:

- **New facilities for children**
- **Cultural and music events**
- **Art exhibitions**
- **A museum and visitor centre**
- **Food and craft markets**
- **Cafes and restaurants**
- **Boat trips and water activities**

And much more.....

**The second objective** of the Pier Trust is to raise funding and investment for new facilities on the pier for the benefit of Herne Bay's residents and to attract new visitors to the town.

## Rebuild

Herne Bay Pier was once the second longest in the country. Three quarters of a mile out

to sea, the old Pier Head serves as a sad reminder to us all of what we have lost.

**The third longer term objective** and ultimate goal of the Pier Trust is to raise money to rebuild the pier. This will be a major challenge but not impossible. Resulting in:

**A pier for the future, we can all be proud of.**

Herne Bay Pier Trust is a registered charity, run by volunteers, with one very clear aim. We want a regenerated Herne Bay Pier of which the town, the county, and the whole country can be truly proud.

**You can help us by becoming a member or a friend of Herne Bay Pier Trust.**
